Jeff Jensen Jeff Jensen is a Vice President at Keybridge, where he serves as an economic and policy advisor for small businesses, industry associations, and government agencies. Jeff has 15 years of experience applying economics, data analytics, and program evaluation techniques to a wide range of public policy issues, including macroeconomic policy, federal regulatory policy, environmental policy, immigration, flood insurance and hazard mitigation, equipment finance, and credit and debit card markets. Before joining Keybridge, Jeff spent nearly 5 years at the U.S. Government Accountability Office, where he served as a Senior Analyst and specialized in transportation security and related homeland security issues. Jeff holds a Bachelor's degree in Economics from Carleton College and two Master's degrees in Public Policy and Environmental Management from Duke University.
