(202) 788-0961

Alice Moore is an Economist at Keybridge, where she specializes in electronic payments, financial regulation, policy analysis (with a focus on energy and regulatory policy), and survey design and implementation. Prior to joining Keybridge, Alice spent two years at the Federal Reserve Board, where she aided in research on vulnerabilities in systemically important financial institutions and markets. She also completed graduate coursework in Financial Economics at the NYU Stern School of Business. Alice holds a Bachelor's degree in Mathematics and Economics from Washington and Lee University.
