**Elissa Jensen** is a Director at Keybridge, where she serves as a policy advisor and project manager for small businesses and government agencies and provides firmwide strategic and business management support. Before joining Keybridge, Elissa spent more than a decade at the U.S. Agency for International Development, where she innovated and managed operational planning and budgeting, served as Contracting Officer Representative, and provided technical support for infectious disease programs in sub-Saharan Africa. Elissa holds a Bachelor's degree in Biology and Psychology from Claremont McKenna College and a Master's degree in Environmental Management from Duke University.
